

Education

- 2018–present **PhD, Physics**, *McGill University*, Montreal, “Developing nEXO’s Outer Detector and the LoLX experiment”.
Supervisors: Thomas Brunner, Daryl Haggard
- 2014–18 **Bachelor of Science, Physics**, *McGill University*, Montreal.
Select coursework: Astrophysics, Nuclear Physics, Hon. Statistical Mechanics, Hon. Classical Mechanics I & II, Hon. Quantum Physics I & II, Algorithms I, Energy & the Environment

Fellowships & Awards

- Fall 2020 **Student Award for Contribution to Research**, *McDonald Institute*.
- Fall 2020 **Wolfe Fellowship**, *McGill Department of Physics*, \$6,000.
- Fall 2019 **Trottier Graduate Award**, *McGill Space Institute*, \$1,000.
- 2018–19 **Hydro-Quebec Fellowship**, *McGill Faculty of Science*, \$10,000.
- 2018–19 **Alexander McFee Award**, *McGill Department of Physics*, \$10,000.
- Fall 2018 **Globalink Award**, *MITACS*, \$6,000.
Visiting scholar at PNNL, Stanford University/SLAC National Lab
- Fall 2018 **Trottier Graduate Award**, *McGill Space Institute*, \$1,000.

- 2019 **S. Al Kharusi**, "Supernova Neutrinos with nEXO", SNEWS 2.0 Workshop, Laurentian University, June 2019.

Employment

- Winter 2019 **Teaching Assistant, PHYS 258, McGill University, Montreal.**
- Demonstrated laboratory procedures and safety measures
 - Assisted in teaching concepts in experimental physics, evaluated student performance
- Summer 2016 **Undergraduate Assistant Lab Technician, McGill University, Montreal.**
- Redeveloped the PHYS 257/258 courses at McGill University: introduced new experiments, produced new lab manuals, and purchased new equipment
 - Produced instructional videos for future TAs and lab technicians

Extracurricular Activities & Service Work

- 2020 **S.O.C & L.O.C member**, *Canadian Multimessenger Astrophysics Workshop 2020*, Montreal.
- Lead the venue selection and organization process
 - Aided in scheduling local program and recruitment for speaker list
- 2017-18 **Vice-President (Internal Affairs)**, *Science Undergraduate Society of McGill University*, Montreal.
- Managed \$250k budget to host socio-cultural events for science undergraduates
 - Liaised with students, faculty, and city
 - Held a seat on the Science Undergraduate General Council, drafted and passed motions affecting over 4000 undergraduates
- 2016-17 **President**, *McGill Society of Physics Students*, Montreal.
- Elected as leader of undergraduate physics representatives
 - Voted departmental council of the year for the faculty of science (2016-17)

Skills

- Software Python, C++, bash, GEANT4, ROOT
- Languages English - fluent, Arabic - fluent
- Soft skills leadership, critical thinking, public speaking, team-building
